'Stratford' Jacquard

Stratford

A further welcome addition to the successful commercial Rolls plain and semi-plain fabric ranges is this very traditional style of floral furnishing fabric.

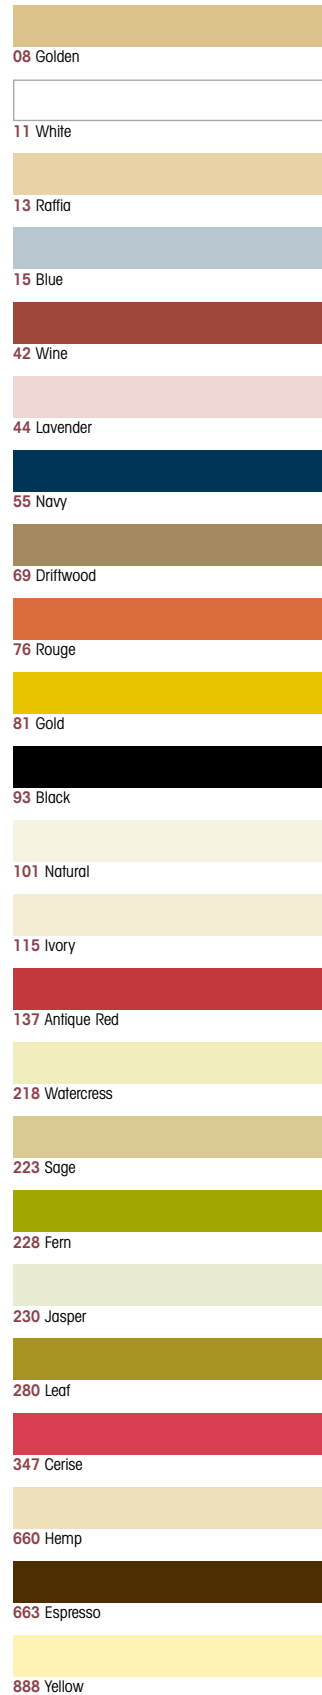

The fine Combed Cotton yarns used in the production of this cloth allow a better definition of the Jacquard weave, and also provide a very lustrous appearance.

Stratford is available in 23 fashionable colours from stock with our usual next day delivery service.

All 23 colours are included in a pattern book.
