Pencil Pleat Curtain Tapes

MULTI-WOVEN POCKET

76MM [3"] POLYPROPYLENE/POLYESTER

- 5 rows of strong woven pockets.
- 'D' pleat.
- 3 Drawcords set in tubes to create firm and proud pleats.
- Fullness 2.2
- Includes sewing lines
- Heat set to minimise shrinkage when washed.
- Hook - Various - see pages 44 & 45

Provides for more flexibility of curtain positioning. Single pockets can be used for light and medium weight curtains, or two pockets for heavier drapes.

Cat No:	Packaging:	Quantity:
0136R/050	Polybag	50m
0136R/100	Polybag	100m
0136R/500	Box	500m continuous layers

MULTIPOCKET PLUS

76MM [3"] POLYPROPYLENE/POLYESTER

- 8 rows of cord pockets that can provide 40 variations of hook positions.
- 'D' pleat.
- 3 Drawcords set in tubes to create firm and proud pleats.
- Fullness 2.3
- Heat set to minimise shrinkage when washed.
- Hook - Various - see pages 44 & 45

Additional spacing between the rows of pockets and the higher density of the tape body reduces the tendency for the pockets to stretch and sag.
