FOREVER *Autumn*

The aesthetic is reminiscent of gentle autumn days and cosy evenings at the fireside. The subtle tonal wood grain stains in solid ash are named to evoke the thoughts and feelings of the season, available in 35mm diameter in ball finial, showcasing the natural beauty of wood. Sympathetic styling and graceful charm are the essence of this range.

These solid ash curtain poles elegantly showcase the wood's naturally crafted grain, there may therefore be some variation in shade and tone.

The image is a vertical collage of autumn-themed photographs. At the top, there are several pinecones and brown leaves. Below this, a wooden mallet with a light-colored handle and a rounded head is positioned horizontally. The background of the middle section shows a bowl of white marshmallows with brown powder, cinnamon sticks, and a single yellow leaf, next to a thick, grey knitted sock. Another wooden mallet, similar to the first but with a slightly different head shape, is placed horizontally across the bottom of this section. The bottom section of the collage features a fireplace with a bright fire burning inside. In front of the fireplace, on a dark surface, sits a red mug and an open book. The entire collage is divided into sections by white diagonal lines.
